		Other	
Total Income		Total Expense	
Describe how SBCO funds were used			
List the goals achieved			
How do you evaluate the success of the program?			
Please attach comments, samples of work and photos from participants. Please include what the participants learned and what they liked/disliked about the program. Include your concrete and measurable student enrichment outcomes with the assessment for each. Pre- and post-test data is preferable for each student without using student names.
